

HEROINE CORRUPTION

+18

Art: yadiersometimes
Story: Smiling Dog

Oh no you don't!

Understood, we have to stop the culprit to stop his control.

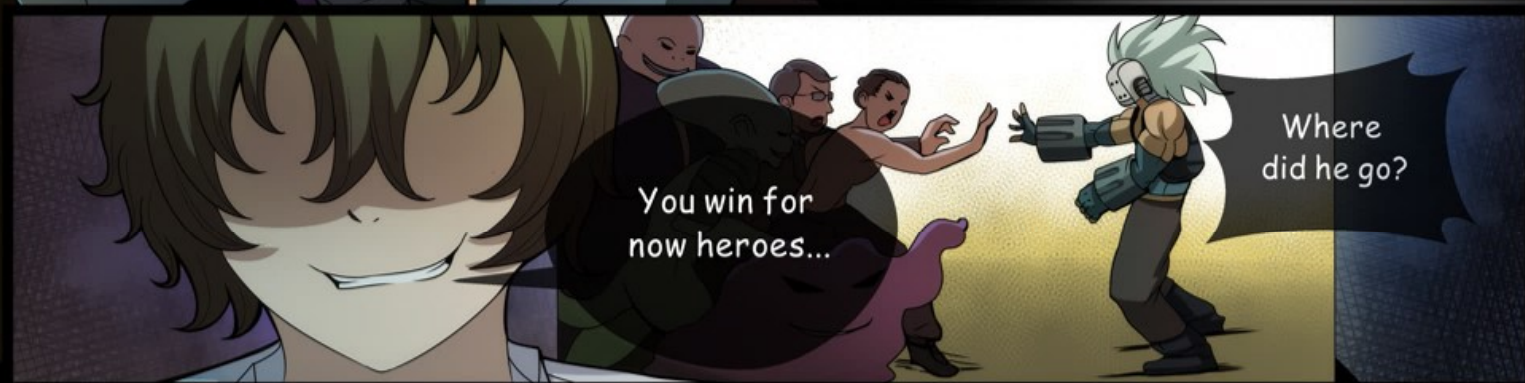

Uravity, are you okay?

Yes!

Don't hurt them, they're being controlled.

You win for now heroes...

Where did he go?

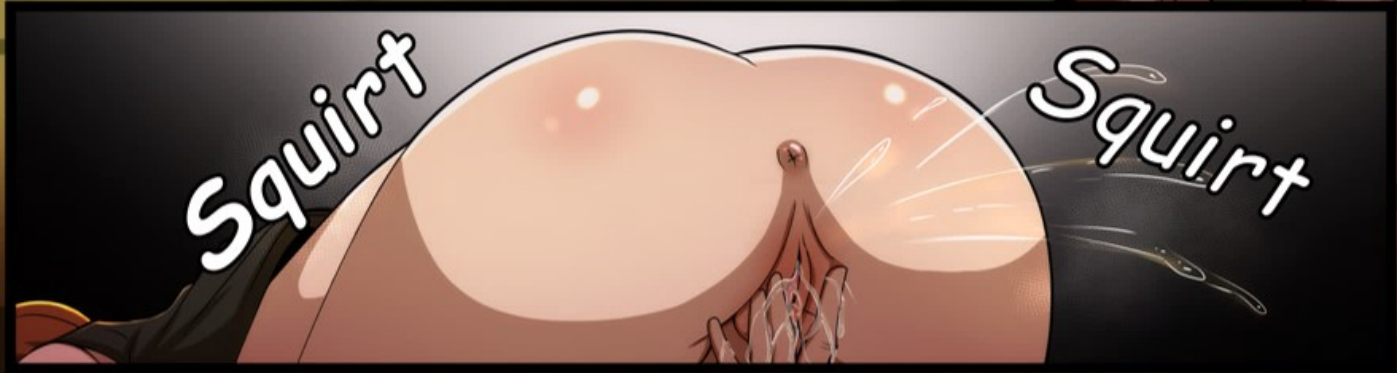

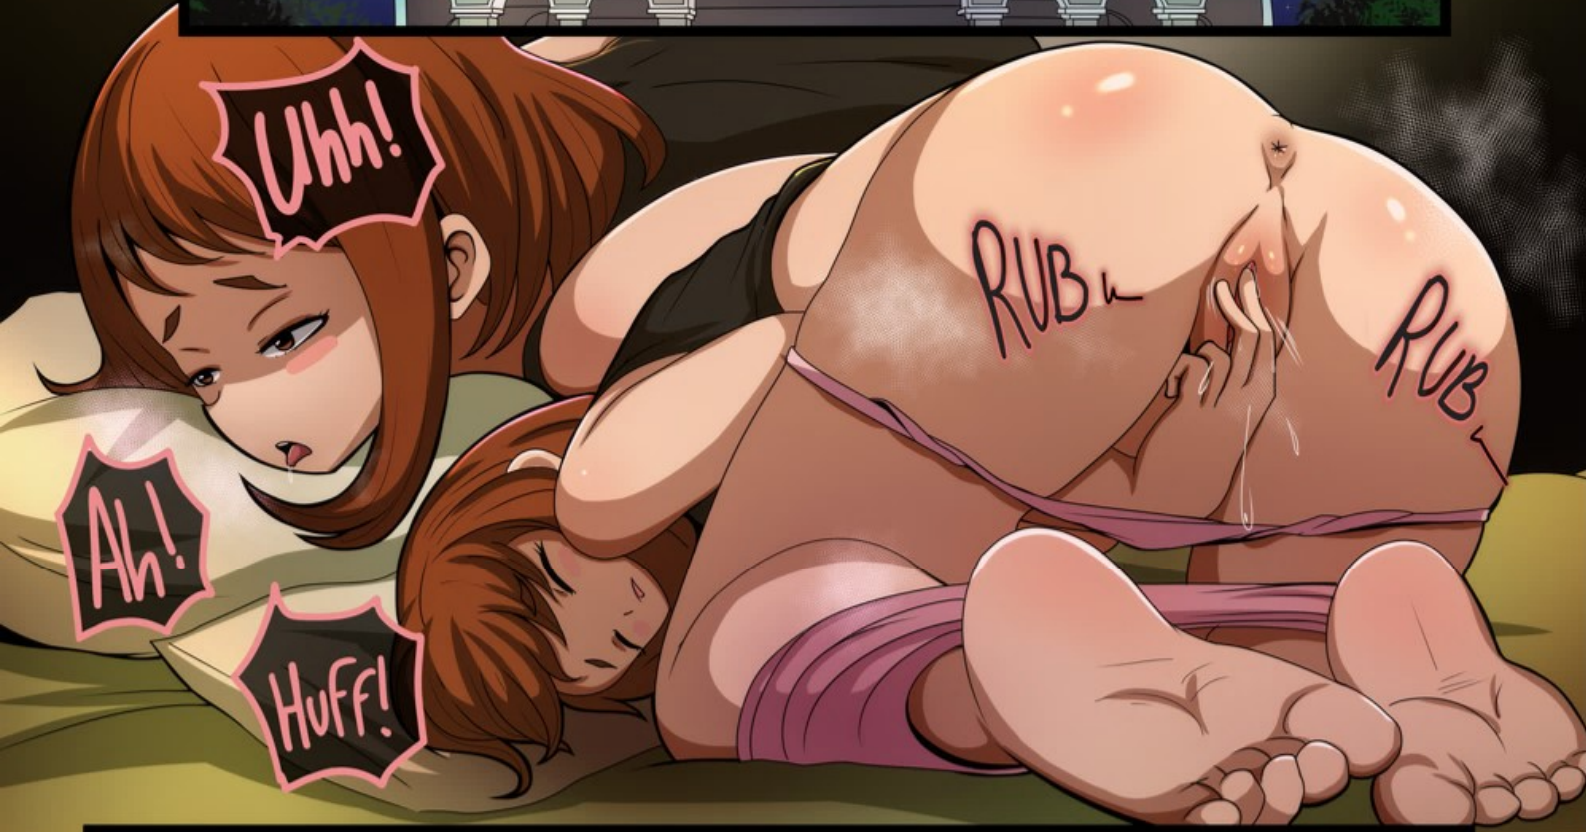

I'll take this consolation prize...

But...

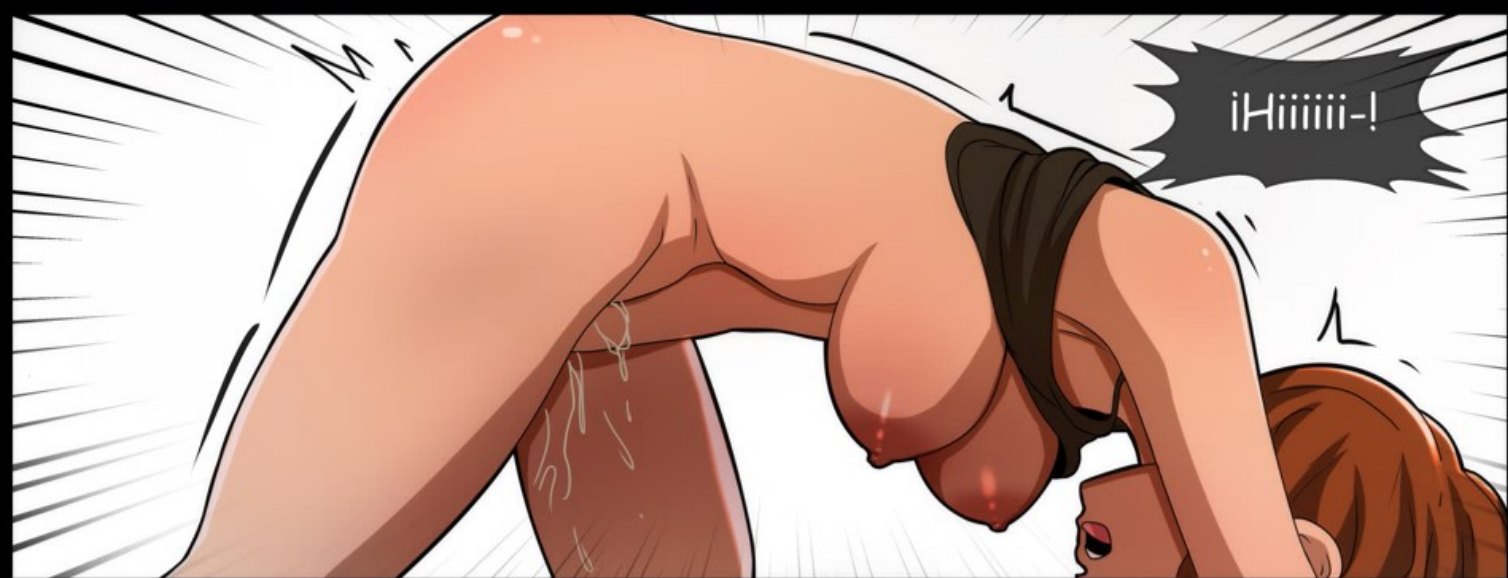

TIME LATER

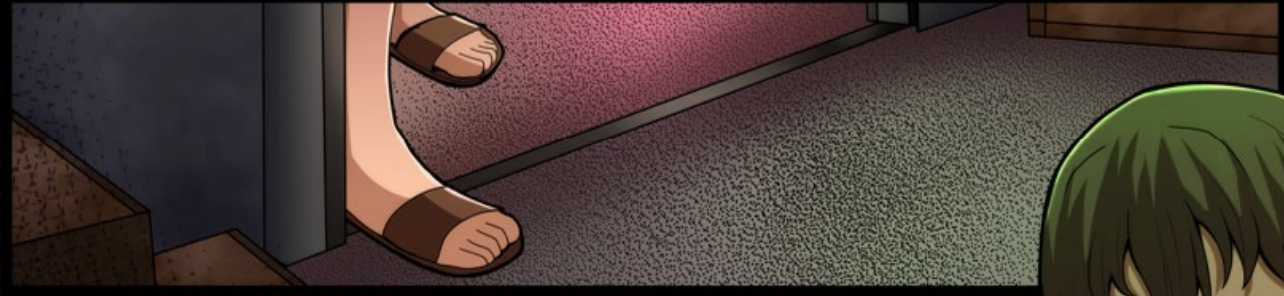

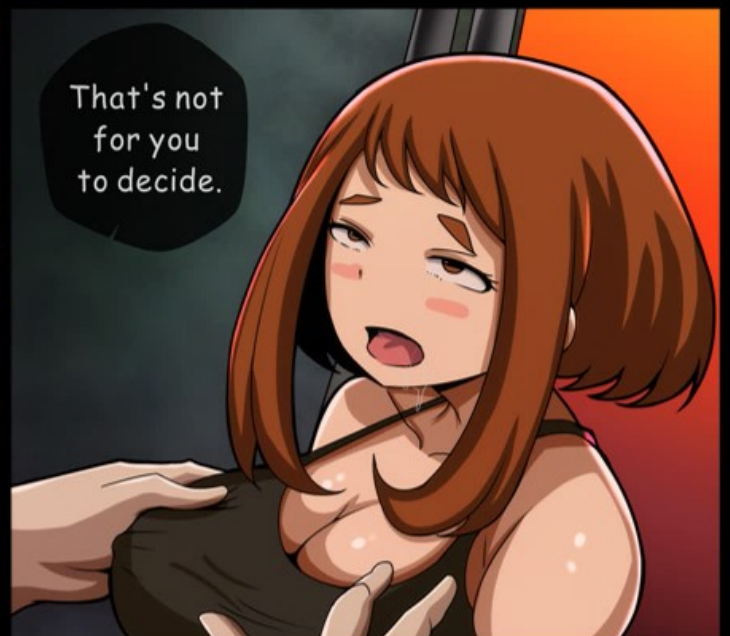

But that's fine...

You're going to help me rebuild it.

N-no...

That's not for you to decide.

W-what...
did you do to me?

You're part of
the colony now.

My quirk lets me
make parasites that turns
people into my slaves.

Nnnaaggggh-!

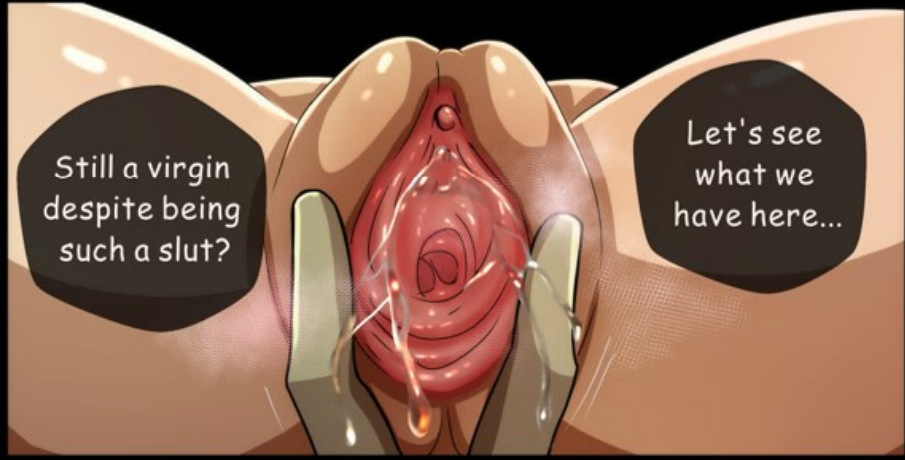

SPIN
SPIN
SPIN

SLUURP

You didn't even
realised you
were infected.

You're already drenched huh?

Still a virgin despite being such a slut?

Let's see what we have here...

Maybe you were a slut even before my parasite got to you.

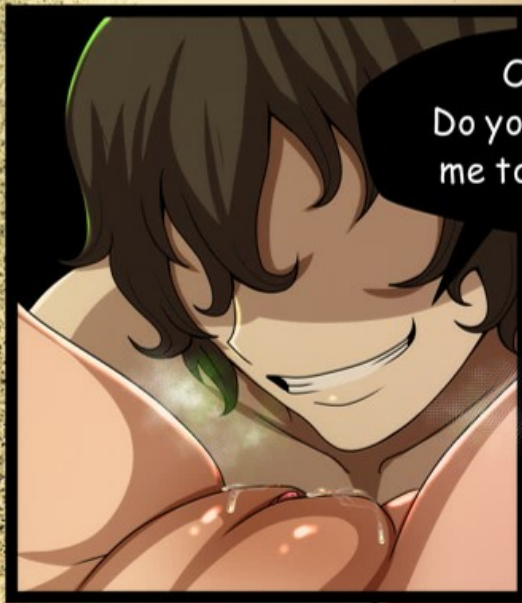

N-no... P-Please....

LICK LICK LICK

Uff

Ahh!

Oh?
Do you want
me to stop?

HAAM!

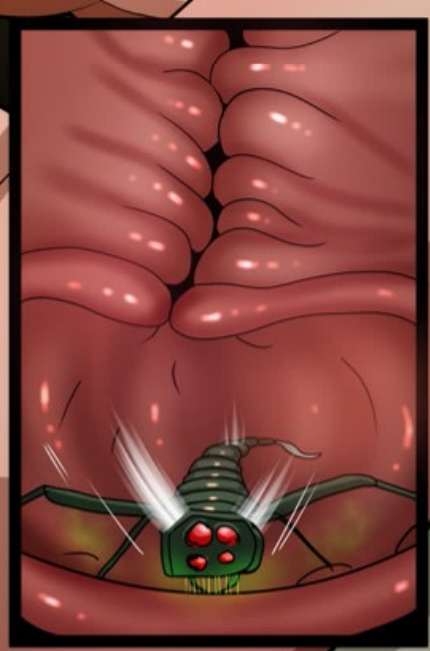

Uhh

"¿Hgnh?"

Ah!

RUB

RUB

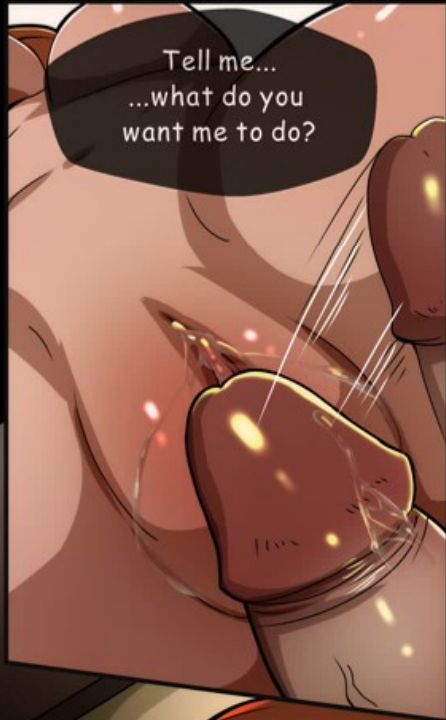

A small increase in arousal was all it took for you to lose control huh?

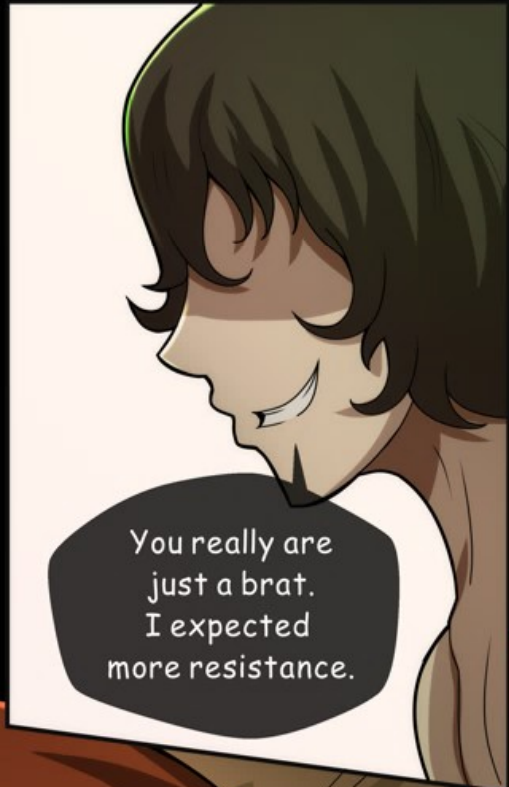

Ahh!

HUFF!

Uhh!

Tell me...
...what do you want me to do?

You really are just a brat. I expected more resistance.

It's not enough...
not enough...

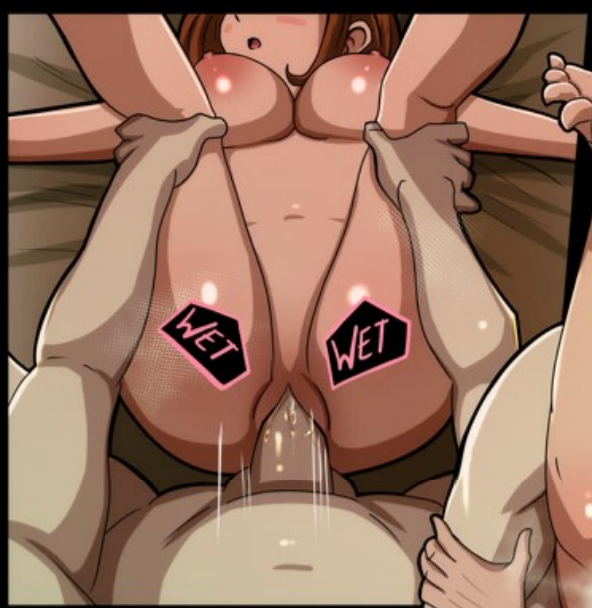

.....

His thing is
inside me.
It feels hot...

Very good, you learn quickly.

GAL-SURK!

Nhuuff!

SUCK

Now show me your ass.

It seems that you really want to continue.

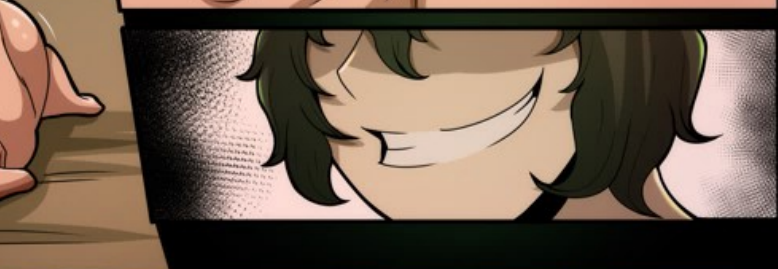

SECOND LOAD

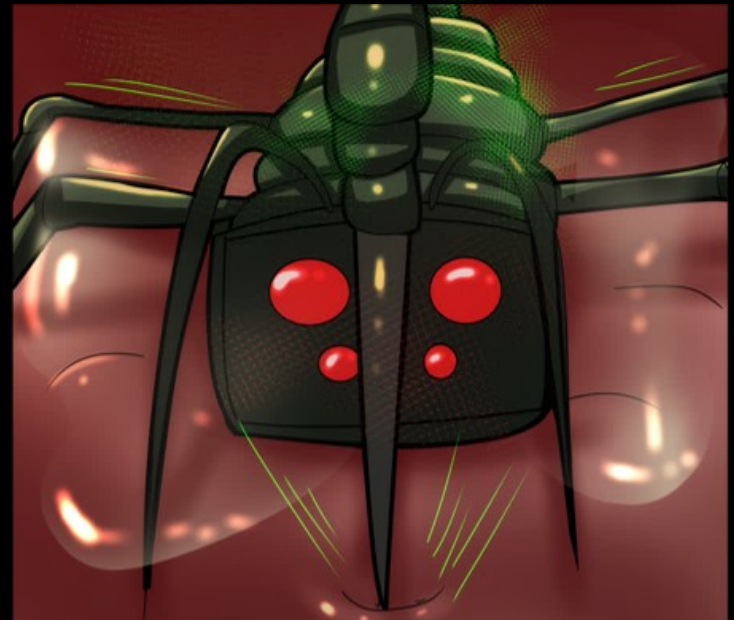

Here's the cum you're so desperate for.

Hah!

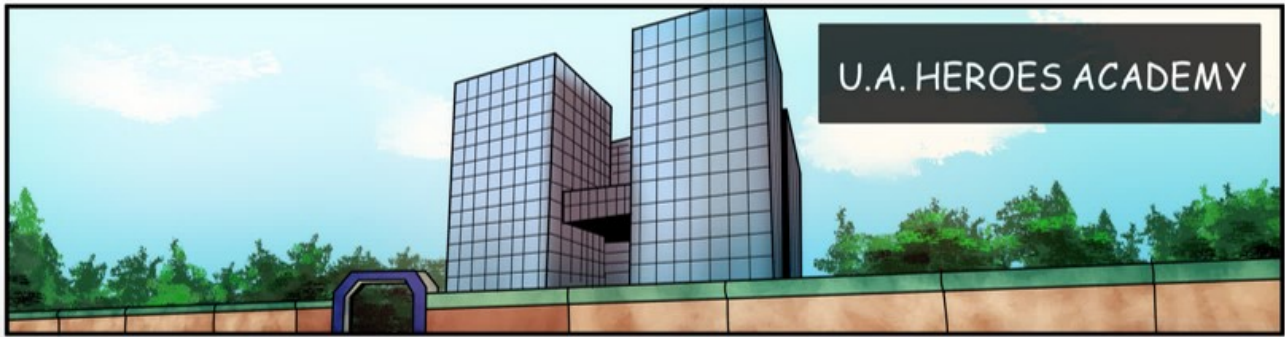

It's still too early to rest...

U.A. HEROES ACADEMY

Are you feeling okay Ochako?

I....
Feel...

All of you should try it...

I'm feeling better now, I found a new supplement.

...you won't be able to live without it...

To be Continued.

Afterword:

Dang, a new doujin for a different series, hopefully y'all will enjoy this as much as Fairy Hunting! Decided to go for a slightly different kind of corruption, and with MHA we do have quite a lot of quirks to play with, from making fire to straight up manipulating reality haha.

As y'all might have noticed, we ave a new artist working on this doujin! Think he did a fairly good job at it. but I am keen on hearing what do y'al think about it! The art, the story, stuff like that too, I'm definitely eager to hear all of your feedback and thoughts!

Before I sign off, I do want to thank all of you once more for supporting us. It's been a rough year so far, and it really does mean the world to me that all of you are willing to support us. Sincerely, thank you.
